#### The Country:

You will reside in Rome, Italy a city of art, architecture, culture, fine dining and fashion. Rome is as much about lapping up the dolce vita lifestyle as gorging on art and culture. Idling around picturesque streets, whiling away hours at street side cafes, people-watching on pretty piazzas – these are all an integral part of the Roman experience.

Rome's cityscape is an exhilarating spectacle. Ancient icons such as the Colosseum, Roman Forum and Pantheon recall the city's golden age as caput mundi (capital of the world), while its many monumental basilicas testify to its historical role as seat of the Catholic Church. Lording over the skyline, St Peter's Basilica is the Vatican's epic showpiece church, a towering masterpiece of Renaissance architecture. Elsewhere, ornate piazzas and showy fountains add a baroque flourish to the city's captivating streets.
